ADHD ASSESSMENT

HOW TO MAKE AN APPOINTMENT ?

SAVE ALL FORMS (PDF)

Save the forms (PDF) and name them this way :

Who filled out the form_Patient's Name_Birth Date

EX: **Father_Charles-Patenaude_28-10-2034**

HAVE THE FORMS FILLED OUT BY THE CONCERNED PERSONS

Make sure that all the documents are properly named before sending them back to us. It's important that ALL sections are completed (in the the best possible measure). If you cannot have the concerned person fill out the document, then you may have another person close to you to complete the form. If none of these alternatives are possible, then you may, as a last resort, skip that section. Please let us know in you return e-mail. **Do not print these documents; for they are already in editable PDF, please fill it out on your computer/electronic device.**

PREPARE A COPY OF THE LAST REPORT CARD (CHILDREN AND TEENS ONLY)

Please scan a copy of your child/teenager last report card **(PDF)**

SEND US BACK ALL FILLED OUT FORMS

Plase send back to us all the documents (PDF) in a email at adhd@excellemd.com.

Make sure that :

- All forms are attached and properly named (www.WELL Santé.com/en/ADHD)
- They're all in PDF format
- Include your complete name and phone number in the return email so we can contact you to schedule an appointment.

IMPORTANT

Please note that a credit card will be requested as a security measure and that $225 will be charged in the event of an appointment not being kept. Missing information or documents could cause the appointment to be rescheduled and fees will be charged. This is why we provide this document to guide you and we ask you to complete everything before making an appointment. Prices are subject to change without notice.

VISIT PROCEDURE

FIRST VISIT - ASSESSMENT OF SYMPTOMS

The first consultation will be scheduled with a nurse practitionner. An ECG and bloodwork will be required; a referral to have them done in either the public care system or our private clinics (WELL Santé) will be given to you (EKG = 75$ and Bloodworks = 170$)

400 $ + 240 $ (optional) ±1h

SECOND VISIT - TREATMENT PLAN

A second consultation will be scheduled with a doctor that has an ADHD expertise. ECG and bloodworks results must be received prior to scheduling the appointment. Please have your weight and blood pressure reading (Mandatory). **If you don't have a tensiometre, please ask your pharmacist.**

425 $ ±30 minutes

FOLLOW-UP VISIT

At least one follow-up visit is mandatory to follow-up on your treatment plan and tools. More follow-up visits may be required if requested by the doctor or patient. Please have your weight and blood pressure reading (Mandatory).

165 $ ±15 minutes

MEDICATION RENEWAL (OPTIONAL)

You may continue to have your follow-ups with your doctor who will renew your prescriptions and adjust the dosage if necessary. A follow-up visit may be required if requested by the doctor. Please have your weight and blood pressure reading (Mandatory).

270 $ ±15 minutes
