

ADHD ASSESSMENT

HOW TO MAKE AN APPOINTMENT ?

1. SAVE ALL FORMS (PDF)

Save the forms (PDF) and name them this way :
Who filled out the form_Patient's Name_Birth Date
EX: Father_Charles-Patenaude_28-10-2034

2. HAVE THE FORMS FILLED OUT BY THE CONCERNED PERSONS

Make sure that all the documents are properly named before sending them back to us. It's important that ALL sections are completed (in the the best possible measure). If you cannot have the concerned person fill out the document, then you may have another person close to you to complete the form. If none of these alternatives are possible, then you may, as a last resort, skip that section. Please let us know in you return e-mail. **Do not print these documents; for they are already in editable PDF, please fill it out on your computer/electronic device.**

3. PREPARE A COPY OF THE LAST REPORT CARD (KIDS AND TEENS ONLY)

Please scan a copy of your child/teenager last report card (PDF)

4. SEND US BACK ALL FILLED OUT FORMS

Plase send back to us all the documents (PDF) in a email at specialistes@excellemd.com.

Make sure that :

- All forms are attached and properly named (www.excellemd.com/en/ADHD)
- They're all in PDF format
- Include your personnal informations in the return email so we can contact you to schedule an appointment.
- Please note that a credit card or a \$150 deposit will be required. Refundable up to 48h before your appointment.

ASSESSMENT DETAILS

1. FIRST VISIT - EVALUATION ASSESSMENT

The first consultation will be scheduled with a nurse practitioner. An ECG and bloodwork will be required; a referral to have them done in either the public care system or our private clinics (ExcelleMD) will be given to you (ECG = 60\$ and Bloodworks = 160\$)

💰 325\$ + 220\$ (opt.) ⌚ ± 1h

2. SECOND VISIT - TREATMENT PLAN

A second consultation will be scheduled with a doctor that has an ADHD expertise. ECG and bloodworks results must be received prior to scheduling the appointment. Please have your weight and blood pressure reading (Mandatory). **If you don't have a tensiometre, please ask your pharmacist.**

💰 250 \$ ⌚ ± 30 minutes

3. FOLLOW-UP VISIT

At least one follow-up visit is mandatory to follow-up on your treatment plan and tools. More follow-up visits may be required if requested by the doctor or patient. Please have your weight and blood pressure reading (Mandatory).

💰 125 \$ ⌚ ± 15 minutes

4. MEDICATION RENEWAL (OPTIONAL)

You may continue to have your follow-ups with your doctor who will renew your prescriptions and adjust the dosage if necessary. A follow-up visit may be required if requested by the doctor. Please have your weight and blood pressure reading (Mandatory).

💰 145 \$ ⌚ ± 15 minutes

Please note that if there's missing information or document, we will be obliged to reschedule your appointment and a \$150 fee will be charged. This is why we ask patients to complete all forms before making their appointments. Please make sure to follow the guide and website instructions thoroughly (www.excellemd.com/en/ADHD). Prices are subject to change without notice.
